SENIOR TALENT SHOW

The Senior Talent Show's purpose was to raise money in order to cut down the cost of the After-Prom and Grad-Night. It would not of been possible without the help of all those involved and the Senior parents. Hard work and time made March 27, 1971 at O'Farrell, Jr. High a successful night.

WE'RE THE CLASS OF '71, '71, '71...

CLASS HISTORY

Since the first day of school 3 years ago, the Class of '71 has proven itself to be a strong, united class.

In our Sophomore year, "The Year of the Tiger," we started off by taking a stand on the dress code which was liberalized due to this stand against it. We also set a precedent by ordering our class rings at the end of our Sophomore year so we would receive them at the beginning of our Junior year.

In our Junior year, Club '71 was started as a parent-sponsored club which through many successful money raising activities earned badly needed money for our Senior year which we were determined would be the best ever.

Finally our important year - our Senior year was upon us. Club '71 continued raising money and the cost of the Prom was almost completely paid for. Our talented Seniors put on a Senior Talent Show on March 27th and the first week of May was Senior Week.

As our years here at Morse High School come to an end, we would like to say Thank you to Mrs. Ela, Mr. Huyser, and Mrs. Swift, our counselors and advisors, and to all our other teachers. We hope we will be remembered at Morse as a very together class as we will remember Morse as being a very together school.

Ralph Johnson on a tiger sweep.

For our Eastern League opener the Tigers slaughtered the Hoover Cards, 41-0. Our first score came when Barry Pollard went over the goal line on a keeper play. Ed Solorzano added the extra point. For the second score Pollard tossed a 48 yard play to Brady Bobo to the 22 yard line, and then on the next play Pollard threw the ball to halfback Mel Johnson for the touchdown. For the final score of the first half, fullback Ralph Johnson picked his way through the Cards for the score, making at the end of the first half the score 20-0.

In the second half, Pollard threw a touchdown pass to Mark Evans. The mighty Tigers recovered a Cardinal fumble and Ralph Johnson scored for the 5th touchdown. For the final touchdown of the evening Mel Johnson punctured the Cards line with a dashing run to score. For the final score of the evening, the MIGHTY TIGERS 41, the Cardinals 0.

Terry Maier does a key block as Barry Pollard scores.

"We tried but we couldn't do it", was the cheer at the end of the Saints game. The Tigers trailed the Saints all during the game and Saintsmen gave a sigh of relief as the count-down started with the final score being 33-26. The Tiger fans stood proud for the Alma Mater and the football team made their friendship circle with the Saints.

SAINTS

SAN DIEGO

The Tigers opened up with a 35 yard field goal by Ed Solorzano to start the scoring in the first quarter. In the second quarter, Mel Johnson scurried 24 yards from the scrimmage and scored the Tigers first touch down for the evening. Nine offensive plays later Barry Pollard scrambled another 24 yards for another Tiger touchdown. In the second half, Morse continued its domination of the game with touchdowns by Mel Johnson, Terry Maier, and an 83 yard pass play from Henry Foster to Barry Pollard. With the score ending up Morse 36, San Diego 14.

Three Cavers needed to cover two Tigers, an equal ratio.

PATRIOTS

The Tigers met the Patriots at Hoover and it was disappointing for the Patriots. In the first half the Tigers scored when Barry Pollard hit Robert Snowden (81) in the end zone to take the lead at half time. Our Tiger defense plowed through the Henry line throwing them for loss after loss. Once again in the second half, Barry Pollard found Mark Evans gladly recepting an 82 yard bomb. Final score, Tigers 13, Patriots 0.

HORNETS

Morse and Lincoln, known rivals, met at Tiger stadium. Tigers scored first on a 12 yard pass from Pollard to Mel Johnson (42). Hornets managed to tie it up 7-7 at the half time.

Lincoln fell defeated in the second half as Tiger domination prevailed. Morse scored twice only giving away one Hornet score, leaving the score 21-13, another Tiger victory.

COLTS

Our Homecoming and last league game was played against Crawford at Morse. The tigers showed great determination downing the Colts 34-6. Susan Carrilo was crowned Queen during the halftime.

Other highlights of the night consisted of helium filled balloons and a exciting show of fireworks. The Drill Team and Marching Tiger Band performed at halftime, a memorable show.

KOMETS

Kearny was one of our scrimmages, also a victory for the Tigers. The Komets couldn't hold on to the ball, this was demonstrated by their six fumbles. A recovery of a fumble set tigers up for a field goal kicked by Edgar Solarzano, good for three points. Near the end of the first half Barry Pollard hit Mark Evans for a 31 yard touchdown pass. The strong Tiger defense accounted for the rest of the game, and the final score being Morse 10, Kearny 0.

Morse also played two other non-league games, a lose to Santana 19-7 and a victory over the Clairmont Chieftons, 13-0.

PRIDE

C.I.F.

Morse played Grossmont at Aztec Bowl. It was our worst defeat as the Foothillers rumbled us 49-17. This didn't quell Tiger spirit. Our graph illustrates other upsets. Sweetwater ran down Santana, Escondido edged by Kearny and St. Augustine over Madison.

In the semi-finals Grossmont lashed Sweetwater and St. Augustine held Escondido scoreless.

The CIF Championship game, St. Augustine vs. Grossmont at San Diego Stadium, was a real heart breaker. St. Augustine edged by Grossmont 13-8, with touchdowns by both Robert and Frank George. Otherwise Morse was pleased with St. Augustine's victory, keeping the championship in the Eastern League.

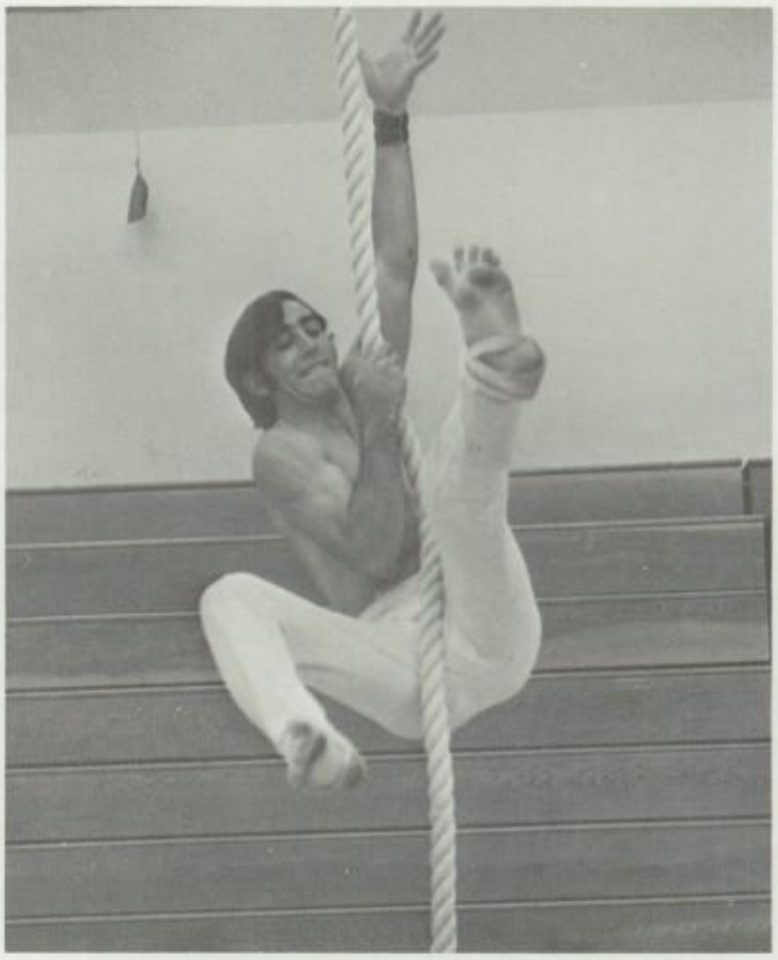
1,2,3,4.....



Just a few more feet.

For the first time since 1966 the Morse High School Gymnastic Team had a winning season finishing with a 6-2 record. It was also the very first time in the history of Morse that the tigers defeated the dominating Eastern League Champions of Crawford High School.

The tigers appeared on the way to a quick and successful season when they beat Clairemont 76-44, Madison 68-46, and Crawford 60-59. Then a loss to the Western League Champions Mission Bay by a score of 56-64 seemed to push the tigers a little harder because they went on to defeat San Diego 88-28, Hoover 79-38, and Lincoln 84 1/2-34 1/2. The other loss was to Henry 70 1/2-50 1/2.

Highlights of this season were Gary Puckett and George Ito both breaking the individual meet total points and the seasonal total points which was held by Ken Burleigh since 1965. The old mark for total points in one meet was 22, Gary and George broke that with 24 and 23 points respectively against the Clairemont team. The record for total points during the season was 122, Puckett and Ito obtained 135 and 133 1/2.

Perhaps the most outstanding feature of this 1970 season was Nick Colabella's rope climbing ability. Nick was timed in the Eastern League Finals at 4.5 seconds, which gave him a first place. Gary Puckett took a 5th place on the horizontal bar in the C.I.F. George Ito, Dave Drager and Dennis Cross were placed on the Eastern League teams along with Colobella and Puckett.

The top scores were Puckett 135, Ito 133 1/2, Dennis Cross 74, Dave Drager 37 1/2, Colabella 37 and Ray Cole 25.

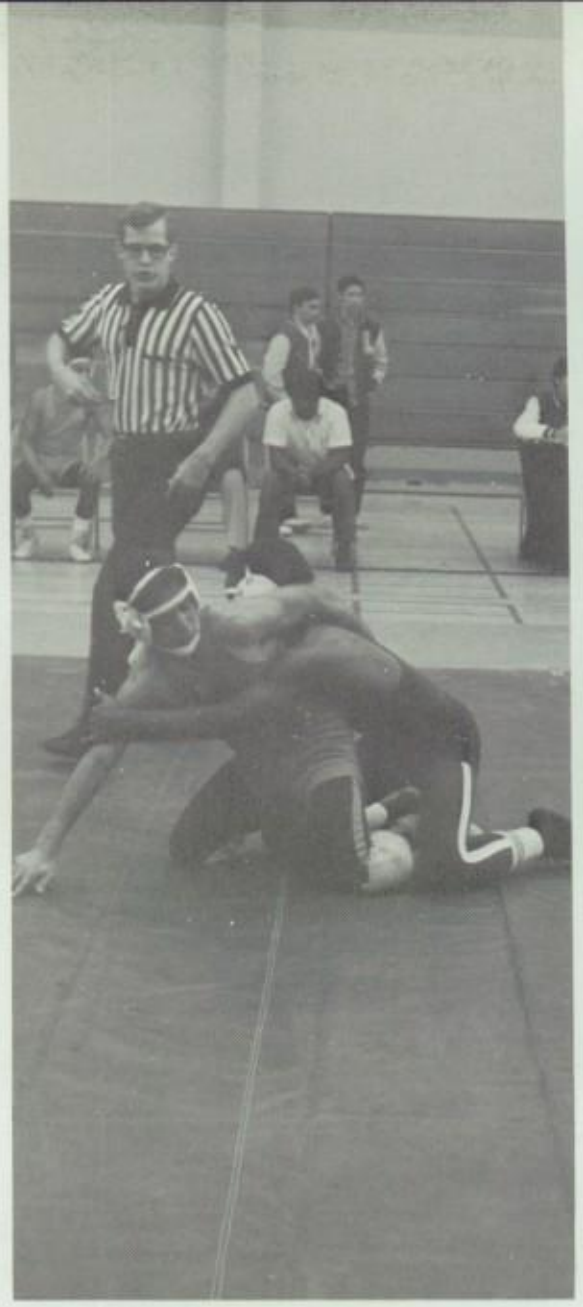
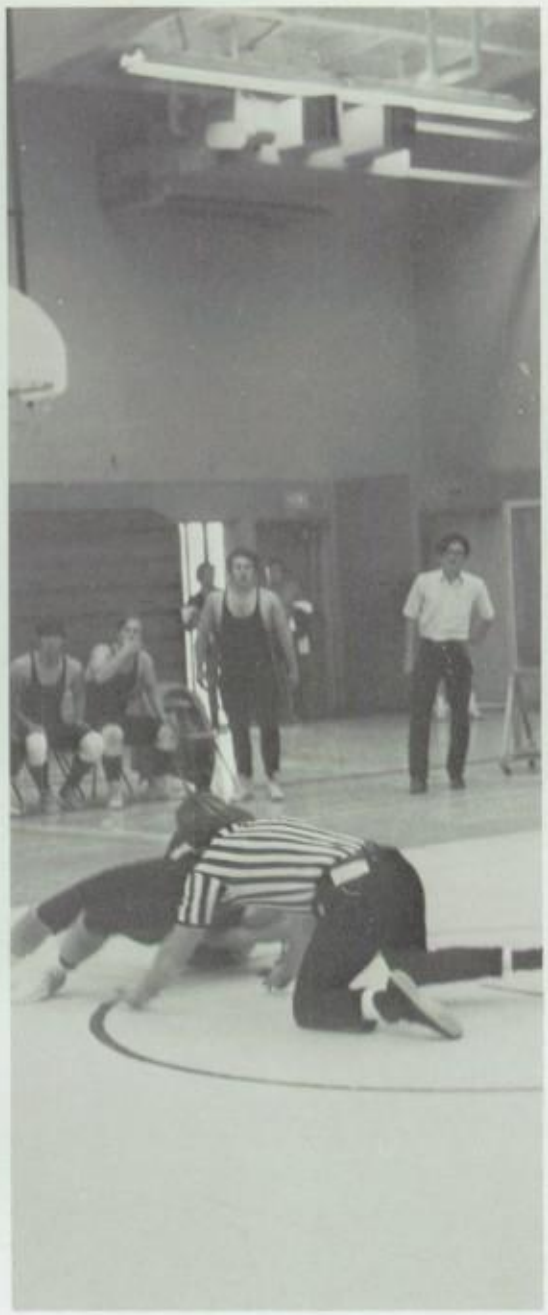
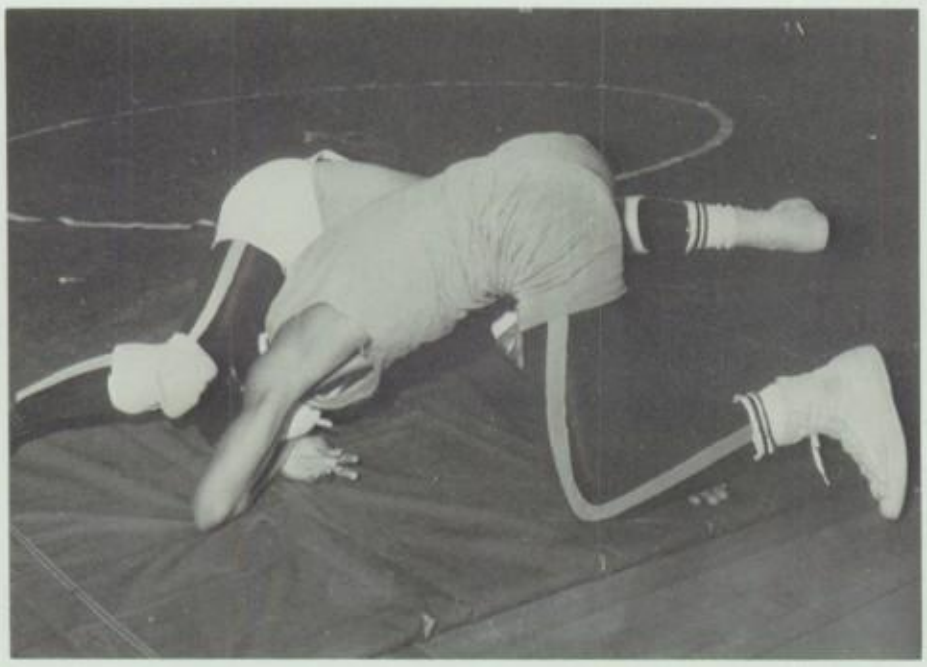
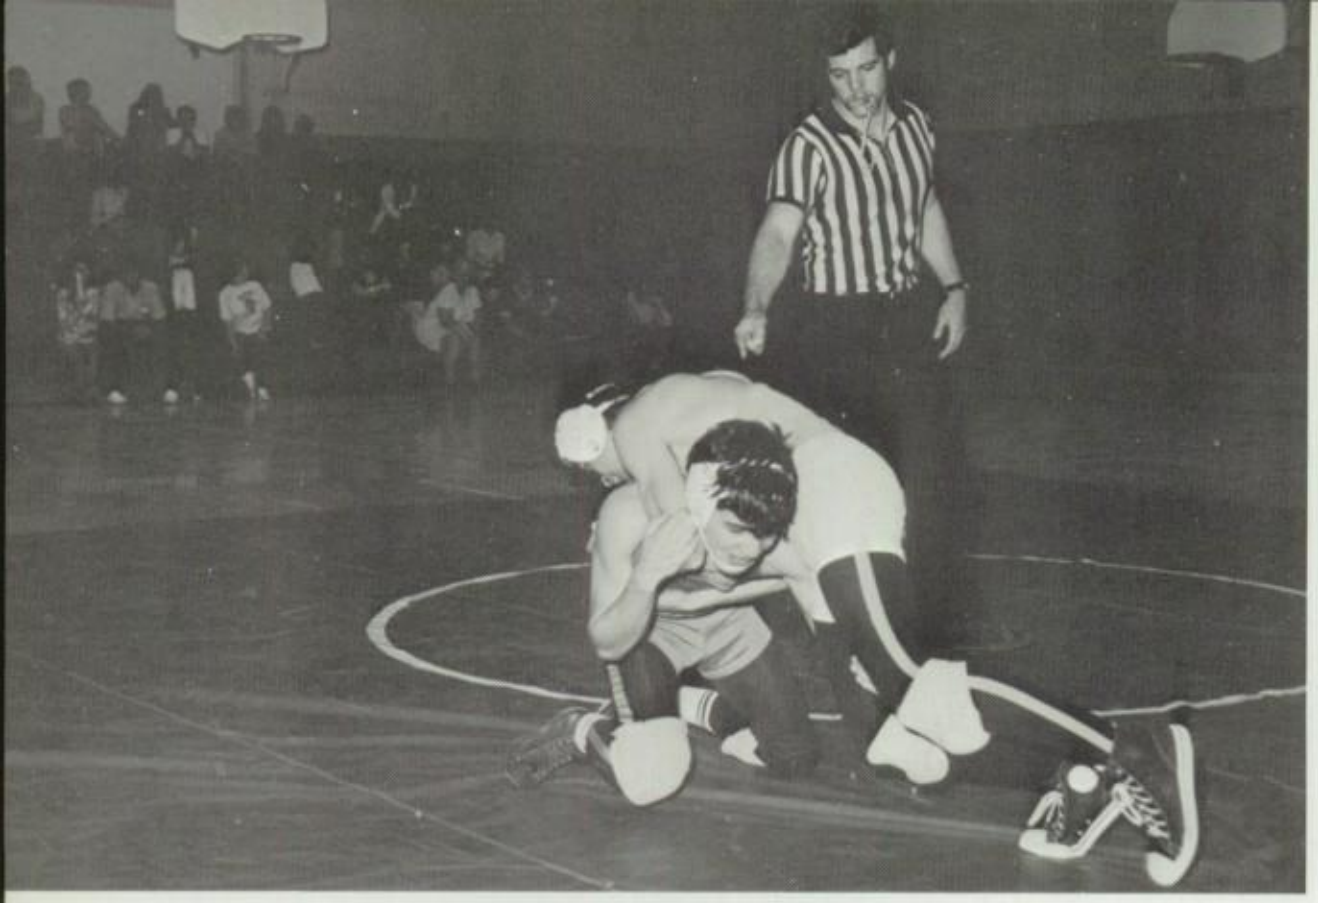
Our wrestling team did surprisingly well for its age, finishing with a 3-6 overall record and a 2-4 league record and a chance at the CIF championship. Some outstanding individuals in the team were George Valdez and George Ito, both of whom took first place in the league in their respective weight divisions. Julian Valdez grabbed a second, while Max Adona walked off with a 4 in the Eastern league. The team was very young, consisting largely of sophomores and juniors, and should make a very good challenge for the CIF championship next year. At the time this edition went to press, the team was practicing for the CIF championships.









How did I ever get into this business?

COLOR DYNAMICS

Let he who's had a glance at
the color of a soul
Try to limit or enhance
another's goal
On the basis of the skin

Or the color of his earthborn kin.
Neither the surgeon's or

Has pierced the color of our source of life
Even the brain instrument on
which our ideas play
Is neither black or white,
but a shade of gray.
The light of truth, as the sun,
fades color lines;
This answer, the sincere man

To see the earth

As it truly is;

Small and blue and beautiful

In that eternal silence where it floats,

Is to see ourselves as riders

On the earth together,

Brothers on that bright loveliness

In the eternal cold,

Brothers who now know they are truly brothers.

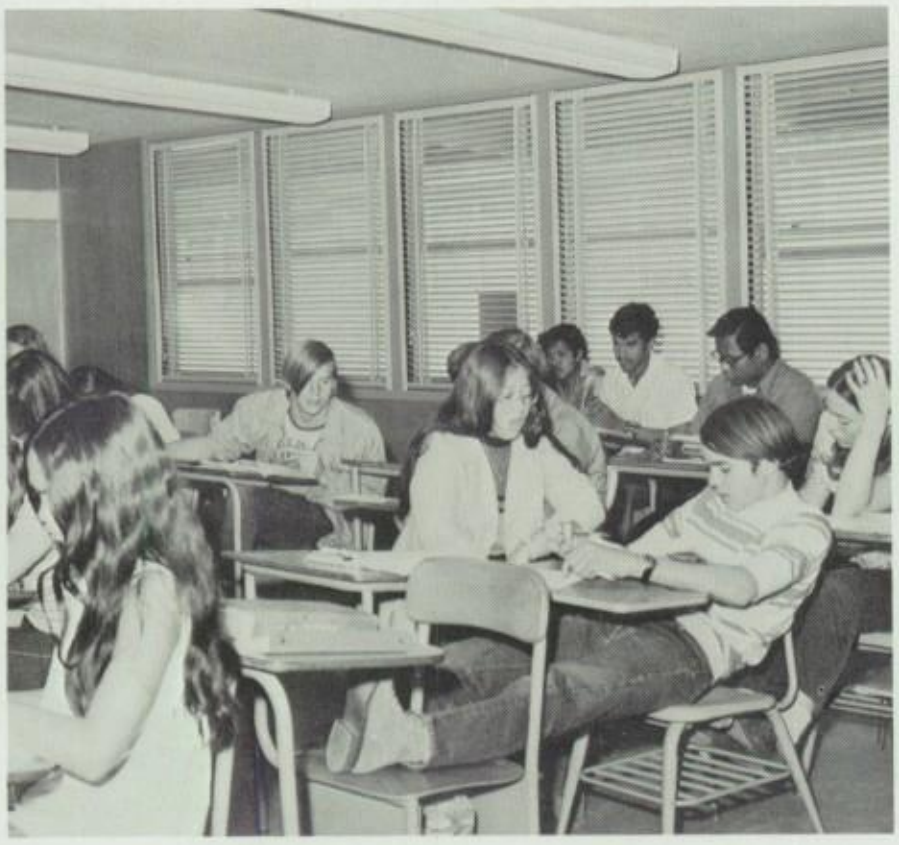
SOPHS AT WORK



Dear Morse Tigers:

I am the exchange student at Morse. I am coming from France, from the French Riviera. I enjoyed very much your school, my school for different reasons. This school has the most interesting student body, better than the student body of the many other high schools I visited. This school is really a "melting pot." On the campus there are Blacks, Mexicans, Japanese, Filipinos and Whites; and there is absolutely no problem. And I learned many of your habits. I met many friends and I know I'll remember my school year at Morse as a wonderful year.

But I am mostly thankful to Morse, to the students and to the faculty for one thing: the first time I was in San Diego, I was afraid to be homesick to France, and now, with your help, I am afraid to be homesick to your country, to San Diego and to Morse.

Hoping to come back some day, I thank all of you.

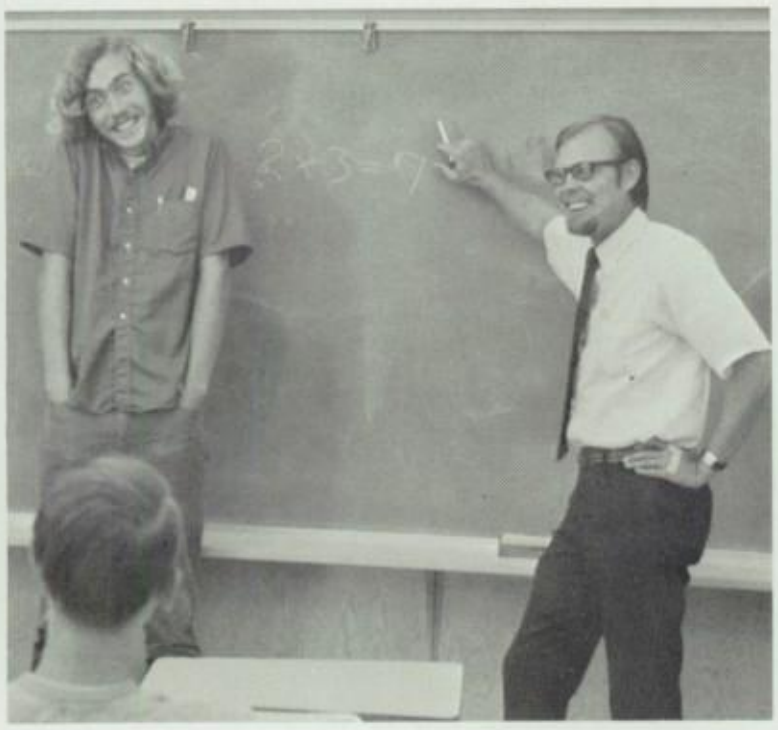
"This is my star pupil, Eileen Feather."

TEACHERS

"Who bad? We bad?"



"Do you understand John?"

"Yes you have an "F" too."

MR. FRANK THORTON
PRINCIPAL

Mr. Frank Thorton can be seen around campus at almost anytime of the day, and at all of the games. He is known for his tremendous pride in Morse's students, and is continually showing his faith in the school. He has stood by us for the past three years in true Tiger tradition. We are very proud to have him with us!

BUSINESS EDUCATION

Seven hundred thirty-eight students were enrolled in Business Education classes in the fall semester. In an effort to meet the needs of these students the following innovative and experimental projects were put into operation: orientation to the world of work; a course in machine transcription; individualized shorthand instruction; a tutoring program; math development in Recordkeeping; and expansion of the Student Store. Continuing programs include many field trips and short term work experience. Future plans include a model office and typing labs where the student will earn typing credit based on established standards.
